LEVEL 4

INFUSE MAGIC

When you cast an artificer spell with a casting time of 1 action, you can increase its casting time to 1 minute. If you do so while holding a nonmagical item, you expend a spell slot and the spell transfers into that item for later use if the item doesn't already contain a spell from this feature.

Any creature holding the item thereafter can use an action to activate the spell if the creature has an Intelligence score of at least 6. The spell is cast using your spellcasting ability, targeting the creature that activates the item. If the spell targets more than one creature, the creature that activates the item selects the additional targets. If the spell has an area of effect, it is centered on the item. If the spell's range is self, it targets the creature that activates the item. It must be used within 8 hours. You can have a number of infused spells equal to your Intelligence modifier.

LEVEL 5

SUPERIOR ATTUNEMENT

You can now attune to up to four magic items at a time. At 15th level, this limit increases to five magic items.

LEVEL 20

SOUL OF ARTIFICE

You can attune to up to six magic items at once. In addition, you gain a +1 bonus to all saving throws per magic item you are currently attuned to.
