MYSTIC ORDER

LEVEL 1

MYSTIC ORDER FEATURE

LEVEL 2

MYSTICAL RECOVERY

Immediately after you spend psi points on a psionic discipline, you can take a bonus action to regain hit points equal to the number of psi points you spent.

LEVEL 2

TELEPATHY

You can telepathically speak to any creature you can see within 120 feet of you. You don't need to share a language, but it must be able to understand at least one language or be telepathic.

LEVEL 3

MYSTIC ORDER FEATURE

LEVEL 4

STRENGTH OF MIND

After a short or long rest you can replace your proficiency in Wisdom saving throws with Strength, Dexterity, Constitution, or Charisma. This lasts until you finish your next short or long rest.

LEVEL 6

MYSTIC ORDER FEATURE

LEVEL 8

POTENT PSIONICS

Once on each of your turns when you hit a creature with a weapon, you can deal an extra 1d8 psychic damage to that target. When you reach 14th level, this extra damage increases to 2d8. In addition, you add your Intelligence modifier

LEVEL 10

CONSUMPTIVE POWER

When activating a psionic discipline, you can pay its psi point cost with your hit points instead. Your current hit points and hit point maximum are both reduced by the number of hit points you spend. This can't be lessened in any way, and the reduction to your hit point maximum lasts until you finish a long rest. Once you use this feature, you can't use it again until you finish a long rest.

LEVEL 11

PSIONIC MASTERY

As an action, you gain 9 special psi points that you can spend only on disciplines that require an action or a bonus action to use. You can use all 9 points on one or multiple disciplines. You can't also spend your normal psi points on these disciplines. You lose any of these special points that you haven't spent after a long rest. If more than one of the disciplines you activate require concentration, you can concentrate on all of them. Activating one of them ends any effect you were already concentrating on, and if you begin concentrating on an effect that doesn't use these special points, the disciplines end that you're concentrating on. At 15th level, the pool of psi points from this feature increases to 11. You gain one additional use of this feature at 13th, 15th, and 17th level. You regain any expended use of it with a long rest.

LEVEL 14

MYSTIC ORDER FEATURE

LEVEL 20

PSIONIC BODY

- Resistance to bludgeoning, piercing, and slashing damage.
- You no longer age.
- Immune to disease, poison damage, and the poisoned condition.
- If you die, roll a d20. On a 10 or higher, you disincorporate with 0 hit points, instead of dying, and you fall unconscious. You and your gear disappear. You appear at a spot of your choice 1d3 days later on the plane of existence where you died, having gained the benefits of one long rest.
